Dear Sir/Madam,

I am writing to express my interest in seeking an attachment opportunity at Kenya Airport Authority. I am a third-year student at Kabarak University pursuing a Bachelor of Science in Information Technology, and I believe that an attachment opportunity at your esteemed organization would provide me with valuable exposure to the aviation industry.

My name is Jacob Mutiso Muasa, and I am a dedicated and hardworking student who has consistently demonstrated a keen interest in the field of information technology. I have a solid understanding of various IT concepts, including programming languages, database management, and computer networks, which I have learned through my coursework and practical experiences.

I am confident that an attachment at Kenya Airport Authority would provide me with a hands-on experience and an opportunity to apply the theoretical knowledge that I have learned in class. I am particularly interested in learning about the IT infrastructure at Kenya Airport Authority, including the use of cutting-edge technologies to enhance operational efficiency and customer service.

I would be honored to work alongside your team of IT professionals and contribute to the success of Kenya Airport Authority. I am a quick learner and an excellent team player who is passionate about

delivering results. I am also open to learning from my colleagues and taking on new challenges that will help me grow professionally.

I look forward to hearing from you soon and thank you for considering my application.

Sincerely,

Jacob Mutiso Muasa
